Pray & Support

- Pray for the millions of orphaned children around the world who wait for a family to step up. Pray for families who have adopted or are in the process of adopting. Pray that God would stir up hearts to move families to welcome a child into their family through adoption.
- Pray for children in the foster care system, for their biological families and the families that foster them. Pray that more families would answer the call to become foster parents and provide loving Christian homes for children.
- Pray for safety and for the physical, emotional and spiritual needs of vulnerable children to be met.
- Support organizations like those listed above through volunteering, giving, prayers and sharing.
- Support families that are on the front lines of orphan care through prayers, encouragement, babysitting, meals, fundraisers, etc.
- Pray for God to show you how he wants **YOU** to be involved in caring for the vulnerable children of the world.
